

Edtech team presents:

# Activating correct application

IF PARENTS CREATED MULTIPLE APPLICATIONS

# Checking Available Applications

- ▶ Each Child has an application history. It can be found on the right-hand side tabs, under History/Admissions History.
- ▶ If child has multiple applications, we need to activate/enable the correct one.
- ▶ Now, Return to the General/General page (main person's page).

# Admissions Profile

- ▶ Under Admissions profile you can switch here the 'Year Applying for', the 'Grade applying for'; to the desired value.
- ▶ To complete the process, click update **UPDATE**
- ▶ And finally, we need to re-sync the application to match, by clicking the action button 
- ▶ And select Re-Sync Admissions Candidacy
